Facilities obligation would be prepaid. The Prepayment Amount for an Assessor's Parcel eligible for prepayment shall be determined as described below.

An owner of an Assessor's Parcel intending to prepay the Special Tax for Facilities obligation shall provide the City with written notice of intent to prepay, and within 5 days of receipt of such notice, the City shall notify such owner of the amount of the non-refundable deposit determined to cover the cost to be incurred by CFD No. 2016-4 in calculating the proper amount of a prepayment. Within 15 days of receipt of such non-refundable deposit, the City shall notify such owner of the prepayment amount of such Assessor's Parcel. Under no circumstances shall the Special Tax for Maintenance Services or the Special Tax for Public Services be eligible for prepayment of any kind.

The Prepayment Amount for each applicable Assessor's Parcel shall be calculated according to the following formula (capitalized terms defined below):

For Assessor's Parcels of Final Map Property or Undeveloped Property, compute the Assigned Special Tax for Facilities and the Backup Special Tax for Facilities as though it was already designated as Developed Property based upon the Building Permit issued or to be issued for that Assessor's Parcel.
3. For each Assessor's Parcel of Developed Property, Final Map Property or Undeveloped Property to be prepaid, (a) divide the Assigned Special Tax for Facilities computed pursuant to paragraph 1 for such Assessor's Parcel by the sum of the estimated Assigned Special Tax for Facilities applicable to all Assessor's Parcels of Taxable Property at buildout, as reasonably determined by the CFD Administrator, and (b) divide the Backup Special Tax for Facilities computed pursuant to paragraph 1 for such Assessor's Parcel by the sum of the estimated Backup Special Tax for Facilities applicable to all Assessor's Parcels of Taxable Property at buildout, as reasonably determined by the CFD Administrator.
4. Multiply the larger quotient computed pursuant to paragraph 2(a) or 2(b) by the Outstanding Bonds. The product shall be the "Bond Redemption Amount".
5. Multiply the Bond Redemption Amount by the applicable redemption premium, if any, on the Outstanding Bonds to be redeemed. The product is the "Redemption Premium."

6. Compute the Future Facilities Cost.
6. Multiply the larger quotient computed pursuant to paragraph 2(a) or 2(b) by the amount determined pursuant to paragraph 5 to determine the Future Facilities Cost to be prepaid (the "Future Facilities Amount").
7. Compute the amount needed to pay interest on the Bond Redemption Amount, the Redemption Premium, and the Reserve Fund Credit (see step 11) to be redeemed with the proceeds of the Prepayment Amount until the earliest redemption date for the Outstanding Bonds.
8. Estimate the amount of interest earnings to be derived from the reinvestment of the Bond Redemption Amount plus the Redemption Premium until the earliest call date for the Outstanding Bonds.
9. Subtract the amount computed pursuant to paragraph 8 from the amount computed pursuant to paragraph 7. This difference is the "Defeasance."
10. Estimate the administrative fees and expenses associated with the prepayment, including the costs of computation of the Prepayment Amount, the costs of redeeming Bonds, and the costs of recording any notices to evidence the prepayment and the redemption. This amount is the "Administrative Fee."
11. Calculate the "Reserve Fund Credit" as the lesser of: (a) the expected reduction in the applicable reserve requirements, if any, associated with the redemption of Outstanding Bonds as a result of the prepayment, or (b) the amount derived by subtracting the new reserve requirements in effect after the redemption of Outstanding Bonds as a result of the prepayment from the balance in the applicable reserve funds on the prepayment date. Notwithstanding the foregoing, if the reserve fund requirement is satisfied by a surety bond or other instrument at the time of the prepayment, then no Reserve Fund Credit shall be given. Notwithstanding the foregoing, the Reserve Fund Credit shall in no event be less than 0.
12. The Prepayment Amount is equal to the sum of the Bond Redemption Amount, the Redemption Premium, the Future Facilities Amount, the Defeasance, and the Administrative Fee, less the Reserve Fund Credit.

With respect to a Special Tax for Facilities obligation that is prepaid pursuant to this Section H, the City Council shall indicate in the records of CFD No. 2016-4 that there has been a prepayment of the Special Tax for Facilities obligation and shall cause a suitable notice to be recorded in compliance with the Act within thirty (30) days of receipt of such prepayment to indicate the prepayment of the Special Tax for Facilities obligation and the release of the Special Tax for Facilities lien on such Assessor's Parcel and the obligation of the owner of such Assessor's Parcel to pay such Special Taxes for Facilities shall cease.

From the Prepayment Amount, the amounts computed pursuant to paragraphs 3, 4, 9 and 11 shall be deposited into the appropriate fund as established under the Indenture and be used to retire Outstanding Bonds or make debt service payments. The amount computed pursuant to paragraph 6

shall be deposited into the Construction Fund. The amount computed pursuant to paragraph 10 shall be retained by CFD No. 2016-4.

Notwithstanding the foregoing, no prepayment will be allowed unless the amount of Special Tax for Facilities that may be levied on Taxable Property in each future Fiscal Year, net of Administrative Expenses, shall be at least 1.1 times the regularly scheduled annual interest and principal payments on all currently Outstanding Bonds in each future Fiscal Year.

SECTION H PARTIAL PREPAYMENT OF SPECIAL TAX FOR FACILITIES

The Special Tax for Facilities obligation of an Assessor's Parcel of Developed Property, or an Assessor's Parcel of Final Map Property or Undeveloped Property for which a Building Permit has been issued and will be classified as Developed Property in the next Fiscal Year may be partially prepaid, as calculated in this Section H below, provided that there are no delinquent Special Taxes, penalties, or interest charges outstanding with respect to such Assessor's Parcel at the time the Special Tax for Facilities obligation would be partially prepaid. Under no circumstances shall the Special Tax for Maintenance Services or the Special Tax for Public Services be eligible for prepayment of any kind.

The Partial Prepayment Amount shall be calculated according to the following formula:

$$PP = P_G \times F$$

The terms above have the following meanings:

PP = the Partial Prepayment Amount.

P_G = the Prepayment Amount calculated according to Section G.

F = the percent by which the owner of the Assessor's Parcel is partially prepaying the Special Tax for Facilities obligation.

With respect to any Assessor's Parcel that is partially prepaid, the City Council shall indicate in the record of CFD No. 2016-4 that there has been a partial prepayment of the Special Tax for Facilities obligation and shall cause a suitable notice to be recorded in compliance with the Act within thirty (30) days of receipt of such partial prepayment of the Special Tax for Facilities obligation, to indicate the partial prepayment of the Special Tax for Facilities obligation and the partial release of the Special Tax for Facilities lien on such Assessor's Parcel, and the obligation of the owner of such Assessor's Parcel to pay such prepaid portion of the Special Tax for Facilities shall cease. With respect to any Assessor's Parcel for which the Special Tax for Facilities is partially prepaid, the City shall distribute the funds remitted in accordance with Section G.

Notwithstanding the foregoing, no partial prepayment will be allowed unless the amount of Special Tax for Facilities that may be levied on Taxable Property in each future Fiscal Year after such partial prepayment, net of Administrative Expenses, shall be at least 1.1 times the regularly scheduled annual interest and principal payments on all currently Outstanding Bonds in each future Fiscal Year.

SECTION I TERMINATION OF SPECIAL TAX

For each Fiscal Year that any Bonds are outstanding, the Special Tax for Facilities shall be levied on all Assessor's Parcels subject to the Special Tax for Facilities, but if any delinquent Special Tax for Facilities remain uncollected prior to or after all Bonds are retired, the Special Tax for Facilities may be levied to the extent necessary to reimburse CFD No. 2016-4 for uncollected Special Taxes for Facilities associated with the levy of such Special Taxes for Facilities, but in any event no later than the 2056-57 Fiscal Year. The Special Tax for Maintenance Services and the Special Tax for Public Services shall be levied as long as each is needed to meet the Special Tax Requirement for Maintenance Services and the Special Tax Requirement for Public Services, as determined at the sole discretion of the City Council.

SECTION J EXEMPTIONS

The City shall classify as Exempt Property (i) Assessor's Parcels classified as Public Property, (ii) Assessor's Parcels which are used as places of worship and are exempt from *ad valorem* property taxes because they are owned by a religious organization, (iii) Assessor's Parcels used exclusively by a property owner's association, or (iv) Assessor's Parcels with public or utility easements making impractical their utilization for other than the purposes set forth in the easement, provided that no such classification would reduce the sum of the Taxable Property to less than the Minimum Acreage. Notwithstanding the above, the City Council shall not classify an Assessor's Parcel as Exempt Property if such classification would reduce the sum of the Taxable Property to less than the Minimum Acreage. Assessor's Parcels which cannot be classified as Exempt Property because such classification would reduce the Acreage of all Taxable Property to less than the Minimum Acreage will continue to be classified as Taxable Property, and will continue to be subject to Special Taxes for Facilities but will not be subject to the Special Taxes for Maintenance Services or the Special Taxes for Public Services.

Tax-exempt status will be assigned by the CFD Administrator in chronological order. If an Assessor's Parcel's classification is changed after the initial status is assigned, then its tax-exempt status will be revoked.

SECTION K APPEALS

Any taxpayer may file a written appeal of the Special Taxes on his/her Assessor's Parcel(s) with the CFD Administrator, provided that the appellant is current in his/her payments of Special Taxes. During pendency of an appeal, all Special Taxes previously levied must be paid on or before the payment date established when the levy was made. The appeal must specify the reasons why the appellant claims the Special Tax is in error. The CFD Administrator shall review the appeal, meet with the appellant if the CFD Administrator deems necessary, and advise the appellant of its determination. If the CFD Administrator agrees with the appellant, the CFD Administrator shall take any of the following actions, in order of priority, in order to correct the error:

- (i) amend the Special Tax levy for the current Fiscal Year prior to the payment date;

- (ii) require the CFD to reimburse the taxpayer the amount of the overpayment to the extent of the available funds of CFD No. 2016-4; or
- (iii) grant a credit against, eliminate or reduce the future Special Taxes levied on the taxpayer's property within CFD No. 2016-4 in the amount of the overpayment provided that the CFD Administrator can certify there are sufficient Special Taxes to pay for the Special Tax Requirements for Facilities.

SECTION L MANNER OF COLLECTION

The Special Tax shall be collected in the same manner and at the same time as ordinary *ad valorem* property taxes, provided, however, that CFD No. 2016-4 may collect the Special Tax at a different time or in a different manner if necessary to meet its financial obligations.

SECTION M INTERPRETATIONS

The City Council may interpret this Rate and Method of Apportionment of Special Tax by ordinance or resolution for purposes of clarifying any vagueness or ambiguity. Any decision of the City Council shall be final and binding as to all persons.
